Step 7: At this time, you may add another event you wish to attend (remember you must register for both RCRA and DOT if you want to attend both), checkout, or (customers only may) register another person for THIS event

Once you have all the items you would like in your cart you need to **CHECKOUT** to confirm your registration, but do not checkout until all your events are in the cart.

Due to the amount of detail, private information, password requirement, and future access to all their training materials- customers must register themselves as individuals or by their company admin.

For this example I registered for both the Pittsburgh RCRA and DOT and they are now in my cart.

Step 8: Checkout and receive statement

Step 9: If you would like to login and view your current/past registrations, certificates, training documents, financial statements- **return to the listing of events and click on this link**

Step 10: Login with the “Heritage Employee Login” button like before and access info

FYI: For paying customers, the \$375 RCRA and DOT bundle price will be applied at checkout once both items are in their cart.
